

Enhanced FR Combat Uniform

The Enhanced Flame Resistant Combat Ensemble (EFRCE) consists of a blouse and trousers that make up a set. Although the EFRCE is similar to the current Flame Resistant Combat Ensemble, the design and fabrics used to construct the ensemble have been modified to provide increased protection, durability and comfort.

FEATURES

- Multi-fabric blouse
- Pleated trousers
- Flame resistant cotton/nylon/meta-aramid twill cloth on blouse sleeves/chest and trouser
- Blouse torso is made of meta-aramid/flame resistant rayon/nylon/para-aramid knit fabric
